Assessor Comments	In AC STRATHMEADOWS Past Angus cows with sappy speckled park calves at foot and redepastured back to the Blonde bull since calving. While the cows haven't been preg tested No cows have been riding or noticed coming in season of recent times. Great big cows with solid mouths when I mouthed a portion of them. And outstanding Speckled Park calves to 240kg won't take long to finish off. Cattle come with the highest recommendation.
