Assessor Comments	28 Angus Cows with 28 calves at foot. This is their 2nd calve, they were purchased out of Naracoorte as PTIC hfrs and the vendor has calved them down twice. They are all frame with not a lot of cover on them, everything is going into the calf. The calves are sired by Chiltern Park Angus bulls and present in great order. The calves were marked and received a 7in1 at assessment. Within the mob there is one red angus cow which can be mothered up and removed if required and one cow has a white udder and belly. The cows are not one straight line, approx 3 lines were purchased from Naracoorte. Overall they are good frame, Skinny healthy young cows doing a great job on their calves. There is a total of 103 cows and 104 calves on Auctions Plus for sale, they were split into 4 mobs for calving. Mob sizes are, 23 C&C's, 25 C & 26 C's, 28 C&C's and 27 C&C's.
