This is their 2nd calve, they were purchased out of Naracoorte as PTIC hfrs and the vendor has calved them down twice. They are not one straight line, approx 3 lines were purchased which were are bred in the south east of SA. They are all frame with not a lot of cover on them, everything is going into the calf. The calves are sired by Chiltern Park Angus bulls and present in great order. The calves were marked and received a 7in1 at assessment. There is one cow with a white face and one with a white udder.
