Excellent to handle both in the yards and walking into the crush. Once we let them back out together in a small holding paddock they just stood happily and fed their calves

Handled With: Bikes , On foot , Vehicles

Assessor Comments: Quality Angus Friesian X cows that have their 5th & 6th calf at foot. Good big roomy females and doing a fantastic job on their calves. Calves are full of milk and have plenty of bone and shape. There are 7 steer calves and 3 heifer calves. Cows have not been back to any bulls and are ready to join to a bull of your choice. Calves have been marked and had their vaccinations.
