Cattle handled very well.

Handled With: Bikes , Dogs , Horses , Vehicles

Assessor Comments

9 Angus cows with 10 Angus calves at foot. Quality foundation stud cows out of the Keringa stud program including several Donor females, cows are vendor bred Keringa cows and purchased in Willowfield's and Banquet blood females. 8 to 10 years old and the one Banquet cow is 2008 drop. All solid females that will go around again if given the right chance. Beautiful Quality genetics on offer. Calves are very even with a 50/50 split between sexes, the twins are two heifer calves and the bulls are entire. They are sired predominantly sire by Keringa N249, also one calf by NMMQ96 and record breaking Paratrooper son NMMR48, these are leading edge genetics. Excellent opportunity to purchase quality genetics for stud or commercial base. Registration details available on request. Vendor has 80 weaners in todays weaner and yearling sale.
