Handled With	Bikes
Assessor Comments	A neat line of mixed age NSM Angus and Angus cross cows with Angus CAF. Cows were purchased ex Mortlake and Camperdown yards and vendor has since calved cows down. These cows are large to medium framed and show good maternal traits as can be seen by the calves they are rearing , the calves are sappy have good bone, structure and scale. There are 11 heifers and 6 steer calves which were marked at time of assessment. * Please note one cow with slight hernia, not proving detrimental to her health.
