Assessor Comments	68 Droughtmaster Heifers. A nice line of heifers joined to the Angus bull at the time of assessment. Cattle are from WA from a Droughtmaster breeder. Cattle are in store condition, but are heathy. Banquet Angus bulls were selected for there low birth weight EPVS, Bulls went in on the 1st of April and are currently still with heifers. TBN Bulls can be sold with heifers. Heifers are a good opportunity to restock with future breeders.
