Handled With	Very well handled cattle. Bikes , On foot
Assessor Comments	A well bred, quiet, small line of large Angus cows that represent the last of the vendor's cows to be dispersed (there are 4 first calvers in the same sale). These cows would suit a small holding or add favourably to any larger operation. The oldest cow was mouthed, see photo, and there are 3 cows with some long toes, also see photos, going on the cow's condition, it is not affecting them !
