| Assessor Comments  | PTIC one mark Angus females,Purchased for High marbling and IMF traits in the herd.they were joined to the selected Wagyu sires that meet the requirements that suit the F1 feeder market. These females are Te mania and Rennylea blood, purchased ex the breeder at Mt Shank in SA. The breeding behind these females is spot on the money for where the large feedlot companies need them to be. very very quiet to handle in and out of the yards. And have been MANAGED to be in perfect calving order for a mid august calving. |                                  |                 |
