				Temperament not assessed in Paddock																						
Handled With		This bull was good to handle, preferred to be with his mate but was still very sensible by self. On foot , Vehicles																								
Assessor Comments		The Mete family offer a good young Limousin bull just 20 mths that is based on pure French blood. He is bred out of a commercial herd sired by Mistletoe Pasadina. They have not been pumped up on grain, have just been running on pasture and hay. He is displaying plenty of muscle and shape and am sure will grow into good sound bull. The temperament of the herd is always a feature and this bull was also good to handle. A good young bull to buy now, able to settle in and ready for a Spring joining. Please note has a brother in sale.
