Assessor Comments	Good healthy young Riverine Buffalo Bull with plenty of weight attached to him, has been out joining the heifers for the past 6 months. Only offered for sale as he's no longer needed. Has had his horns tipped and hasn't held a grudge about it, remaining easy to work with in the yards and paddock. Has been worked with horses in the camp, but does get stubborn after a couple of runs. Vendor is offering terms, that on the sale of this bull, the buyer has the option to take 2 heifers that have been joined to him for the past 6 months at an agreed price. Vendor also offering free delivery within 100kms of property. Please see photos and video for full contentment.
