| Assessor Comments  | Spring Calving East Gippsland Bred. These heifers show scope to grow through winter leaving a great asset in the spring. Joined to the low birth weight Murdeduke Bull these heifers are ideal to take time to grow on to get to the perfect calving weight. Sound temperament and easy calving traits apply to these heifers. The odd ringworm and white underbelly among these heifers.    |                                          |         |
