Other Joining Details	Joined to a low birth weight Angus bull. Store Condition Fwd Store 100%		
Temperament	Yards	Crush	Paddock
	Docile: 4 head	Docile: 4 head	Temperament not assessed in

Cannot fault the temperament of these heifers with a bit of encouragement they stepped on to scales and stood patiently while being weighed. Extremely quiet and will come running at the sight of hay in a wheel barrow.

Handled With

On foot , Vehicles

Assessor Comments

Excellent little line of very quiet Angus heifers joined to a low birthweight Allunga Angus bull. Calving in late August early September these heifers are a perfect chance for any first time hobby farmer wanting to start a little mob of spring calving heifers or for the experienced farmer wanting to top up an existing mob.
