Assessor Comments Buyers, Here is a top quality line of Ultra Black weaned steers averaging 292kg. These steers have great breed type with plenty of bone and length. This line of steers have good muscle expression with nice depth of flank. Steers show nice skin and are very soft easy doing types. Majority of steers are vendor bred out Carbone Grazing Ultra black medium to large frame cows by Palgrove Ultra Black stud sires with a small percentage purchased on replacement breeders. Steers worked well through yards. These steers are antibiotic free. Vendor has other lines in same sale.
