Assessor Comments	Buyers, Here is a good line of quality Ultra Black, Brangus and Angus cross steers that ave 291kg. These steers show great standup with plenty of room to fill out. Steers have nice length of body with good spring of rib. These steers show nice muscle expression and are soft easy doing types. All steers have been weaned and are read to do. Steers worked very well through yards. This is a great opportunity to purchase a good line black steers. Vendor has other lines in same sale.
