Very quiet line of heifers to work through yards.

Assessor Comments: Buyers, Here is a good line of soft Charolais, Charbray & Santa weaned heifers that average 260kg. These heifers present in good store condition, having very good length of body with muscle and bone. These heifers are soft easy doing types with plenty of depth flank and femininity. They are bred out of medium to large frame Cross bred cows. These heifers are very good to work through yards and handle. Heifers would suit to background and make future breeder or feeders. Trifecta Cattle Co have a good reputation for performance both on grain and grass. Vendor has steers and other heifers in same sale.
