Assessor Comments	A line of well bred Angus weaner steers with 2 with a slight cross presenting in store to fresh condition. Steers have been bred on lighter sandy country and show good frame for weight. Steers have very good genetics being by Ascot and Clune Range bulls. Steers were runny in the yard to handle as they have just come off mum but will be weaned from time of assessment. A percentage of steers did stir in the crush at assessment. **PLEASE NOTE** Vendor has several lots in the sale. 1 steer had blight scarring deemed not detrimental at assessment.
