Assessor Comments	Buyers a great line of Heifers all frame and no weight due to very wet conditions these cattle do not present like usual. A great opportunity to put these heifers away and do a quick trade or grow out to feeder weights. These cattle are out of well bred cows and by top bulls. The property is all low lying cultivation and with all the rain received these cattle have cut up more than normal. P2ML Pastoral Cattle are known to perform and we always get great feed back from buyers.
