Assessor Comments A very good line of Angus Steers. Note 3 Steers did show very small amount of Angus Cross. Stees worked very well through yards and crush. Tail has been removed from this mob. Majority of steers are vendor bred on owners property at Thistlebank, Aramac and on agistment at Bungawirra since weaning. Steers show good bone and type and ideal steers to

take through to heavier feedlot weights or heavy weights. Note – 2 steers have small blue eye spots , May require treatment Note: vendor has other lots in sale.
