Steers worked well through the yards. Only the odd steer stirred in the crush when weighing. Steers have moved paddocks regularly and handle extremely well in the paddock.

Assessor Comments	A high quality line of Angus x Angus steers where all the hard work has been done. These steers show outstanding growth and frame for age and are ready to go ahead. Steers are ready to fit into any trading or backgrounding program enterprise and are full of compensatory weight gain. Please note same vendor has 6 other lots in sale. The odd steer has slight scarring in one eye only.
