Assessor Comments	Very good quality line of Vendor bred heifers. These heifers are a 3 way cross Angus Bull over Santa/Limo cows. Heifers are black coated, long bodied, good shaped with plenty of frame to go on with and suit many markets if given the opportunity. Deep bodied, good headed, Feminine type females that would breed or feed. Vendor has strived to breed the ideal 3 way cross weaners for Hybrid Vigour. These heifers have been ideally set up for feedlot entry or backgrounding having had 2 shots of Bovilis MH+IBR and have been bunk trained since an early age with creep feeders in the paddock on their mothers. Heifers are exceptionally good to handle. Heifers are coastal bred and would thrive going to any area and would be an asset to any herd. Out of Large frame Santa/Limo Cows. Vendor has 48 Steers in same sale to make up Mini B Double.
