	Good steers to handle. These cattle have been properly weaned & educated.		
Handled With	Bikes , Vehicles		

Assessor Comments	An attractive line of vendor bred Angus steers. These cattle are well bred & have plenty of quality. They present in store condition & are all frame no weight. These steers are up to date with their health treatments & would be ideal for a cop or grain. Four of these steers were observed to have an old pinkeye scar. These cattle are Grain, GMO & Antibiotic free.
