Assessor Comments	A terrific 2 deck line of Charolais X weaned steers. The hard work has been done to get these weaners primed to capitalise on the winter rains and the bumper impending spring. These steers have just started to move on the fresh winter herbages and clovers and will continue to do on fresh feed. They will grow into great heavy feeders or will also make great heavy trade steers. Nice fleshy soft coated steers with the ideal frame and bone, offer the buyer an opportunity of a quick return in the late spring. Note buyers 3 steers were marked at assessment but are soft headed and will grow out without issue. Vendor has a 2 deck lot of heifers in same sale.
