Assessor Comments	A terrific 2 deck line of Charolais X weaner heifers. The hard work has been done to get these weaners primed to capitalise on the winter rains and the bumper impending spring. These heifers have just started to move on the fresh winter herbages and clovers and will continue to do on fresh feed. They have to attributes to grow into great matrons of the future or could grow out to make fantastic heavy trade heifers. Nice fleshy soft coated heifers with the ideal frame and bone, offer the buyer an opportunity of a quick for a trade or take out to future breeders. Vendor has a 2 deck lot of steers in same sale.
