Assessor Comments	40 top quality Angus steers weighing 345kg at assessment. Presenting in fresh forward store condition these steers are bred from large framed Angus cows sired by 'TOP BOSS' Angus bulls. Steers are 10-12 months of age and show plenty of			

depth and bone. They were yard weaned on the 1st of July for 14 days and have powered ahead on improved pastures since weaning. These very well bred steers are ideal to grow into heavy feeders or would grow into heavy bullocks given the opportunity. They come from a highly regarded Angus mob in the Grenfell area. Buy with confidence.
