Assessor Comments	A wonderful opportunity to purchase an outstanding line of Future Breeder weaner heifers with over 20 years of Team Te Mania breeding. 4 Heifers sired by Te Mania M449, 9 by N362 and 7 by P509. Heifers are out of very roomy cows with many of them descending from Te Mania Berkley and Te Mania Garth. The Davie Herd consistently selects sires on Calving ease and Growth. Heifers have performed exceptionally well since weaning at 6-7 months of age and would be ideal to join for a spring calving. 2 heifers were observed to have small white marking on the udder region.
