Vendor Comments	selling our annual draft of Hicks Bred weaner strs, the steers have preformed well since weaning and will continue to grow on good feed. These strs have preformed very well JBS over the hooks for past purchasers and are sort after by repeat buyers
Temperament	Yards Crush Paddock Quiet: 109 head Quiet: 105 head Quiet: 111 head Slightly Stirry: 2 head Slightly Stirry: 6 head These steers were easy to handle and relaxed as you can see in the video. They walked into the yards and crush and only the odd calf got adjudgated in the crush.

Assessor Comments	Ware P/co is selling its annual draft of Hicks Beef bred weaner steers. The Ware steers are continually sort after by repeat buyers due to their exceptional doing ability. The Ware Family have been breeding Hick Beef cattle for over 15 years and select bulls on IMF, EMA and 400 and 600 day ebv's. These calves have been weaned and have been on good pasture only over the last few months. The steers are of exceptional quality and will not disappoint.
