Assessor Comments	Opportunity to purchase a line of Angus cross steers to take advantage of premium markets in your business's trading. Steers have all the structure and frame to advance on good quality feed and obtain heavy feeder weights or finish through to bullocks. Steers have the ideal temperament to put their heads down and feed in a new paddock. Approx three steers with white markings and one steer showing stronger brangus traits. Tail has been removed from the sale mob. Vendor also has the heifer portion available for purchase.
