Generally good temperament. Some heifers did tend to run about a bit in the yards but nothing aggressive. Vendor has worked heifers in paddock and yards since purchase. Would advise potential purchasers to hold heifers in yards for a couple of days to settle in to new environment on delivery.

Assessor Comments

A very good line of Charolais and Charolais cross heifers - 1 brand. Heifers are very well grown and show very good bone and type. Heifers show good feminine type and softness. 1 brand heifers that exhibit characteristics of very good breeding. Would be an asset to any breeding herd or take through to trade/export feeder markets or heavy kill cattle.
