	Very good temperament. Considering being unweaned will not take much weaning to become very quiet.				

Handled With	Bikes , Horses
Assessor Comments	A top quality line of Droughtmaster heifers. 1 brand acc. Breeder. For being unweaned heifers worked very well through yards and race. Heifers show good frame and bone and very soft feminine heifers. Would make an excellent line of future breeders or take through to trade/export feeder weights. Vendor has another 2 lots this sale.
