	Considering unweaned heifers worked very well through yards and crush. Will not take much weaning to become very quiet.		
Handled With	Bikes , Horses		
Assessor Comments	A very good line of Droughtmaster cross heifers. Well grown and showing good bone and type. Heifers are unweaned but were very good to handle at assessment. Heifers would be very suitable for future breeders or take through to trade/export feeder weights. Vendor has another 2 lots this sale.
