| Assessor Comments  | Buyers, here is a good line of Brangus & Ultrablack cross weaned steers that ave 316kg. These steers present in store condition with plenty of compensational weight gain. Steers have very good frame with good capacity to fill out. Steers show nice length of body with great stand up. Steers are out of medium to large frame cross bred cows by good quality stud sires. Steers worked well through yards. Vendor has heifer line in same sale. |                                           |                                        |
