All the weaners are very quite to handle in the yards, all stood quietly in the crush, some stirred up in the head bail as would be expected

Handled With

Bikes , Dogs , On foot

Assessor Comments

A line of good quality Angus cross weaners, in store to forward store condition, these weaners will continue to go ahead on good feed. There are 10 steers and 16 heifers in the mob, the heifers would make good breeders or both lots would finish off well in the meat or woolies trade. All have their milk teeth. This lot is 1 lot of 2 lots from the same vendor in the same sale.
