| Vendor Comments               | A lovely line of EU accredited belmont and angus x weaner steers. Steers are all vendor bred and have been weaned since the 1/6 where they were vaccinated with a 5in1 and 3germ blood. These steers are some of the quietest cattle you will find. |            |             |

These weaners were mustered on foot with vehicles 2 hours prior to assessing. The steers were individually weighed and then put back as a mob with not 1 stirring up even the slightest. These steers were an absolute pleasure to handle and it would be extremally hard to find cattle with a better temperament

|                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |

| Assessor Comments  | An ideal line of 29 weaned EU Accredited steers on offer, these steers are an absolute pleasure to handle which is a real credit to the vendor in the way they have handled these cattle. The steers have been weaned since the 1/6 when they were hit with 2 x does of 5in1 and 3germ blooded, these cattle would be ideal to suit any of the steers markets you wish whether it be bullocks, trade feeders or export feeder steers. BUYERS PLEASE NOTE THE VENDOR IS OFFERING THESE STEERS DELIVERED SILVERDALE SALEYARDS AND CLEAR OF THE DIP. |
