Heifers have been bred on lighter sandy country and show good frame for weight. Heifers have very good genetics being by Ascot and Clunie Range bulls. Heifers are being weaned in the yard until delivery and were good to handle in the yard with just a small percentage stirring in the crush but settling once released. **Please Note** Burrs were present on some calves. Vendor has a lot of steers in the same sale. 1 heifer has a spot of white on her head.
