Assessor Comments	BUYERS A GOOD QUALITY LINE OF WEANED ANGUS HEIFERS, Sired by Mountain Valley Angus Bulls, Heifers would suit either a restocker to continue breeding program or carry through to heavier feeder weights or take onto an MSA kill or majority would suit as trade feeders also, 1 heifer with slight blue haze on eye old pink eye scarring not detrimental, a couple of heifers with slight red tinge in coat, 1 heifer with small warts under eye, well grown for age and present in good store condition, healthy in the coat, will continue to go ahead given right opportunity
