Assessor Comments	On offer is a great group of steers with huge potential. These Angus cross steers are pack with performance averaging 249.5kgs at assessment after a 18 hour curfew. The weaners are backed by the proven performance of Kennys Creek Angus Blood. These steers show expectational growth, depth of body and overall carcase. Suitable for restockers looking for young steers with high growth to background. Steers were drenched 6 weeks ago and present in very clean health.
