A really nice line of Angus steer weaners to handle. The yard weaning really shows through here. No fuss throughout all assessment process. Credit to the vendor a pleasure to work with			

Handled With	Bikes , On foot , Vehicles
Assessor Comments	A neat single deck of Angus steer weaners. Principally by the Millwilla and Onslow bulls with a few Rennylea and Bongongo calves of purchased cows last year making up the line. Yard weaned ten days onto silage which really shows through in the education of these youngsters. Calves that are presenting in nice fresh condition without carrying excess cover in a good tight weight bracket. A line of steers certainly worth a close look and a quality level that will not disappoint.
