Assessor Comments	A quality line of EU accredited Angus X Angus heifers, pure Te Mania blood, 321 kgs at assessment. Vendor has been using Te Mania genetics exclusively for 30 years with a focus on fertility and growth whilst breeding on LBW principles. These heifers are surplus to demand and present the successful purchaser with a great line of future breeders to put out to join later in the spring. Quality soft cattle that will grow and mature into excellent fertile matrons for the successful purchaser. 3 head present with slight pink eye scaring on eye that was not affecting sight. A 5% tail was removed prior to assessment. Please not purple tag heifer in photos and videos which is not included in sale.
