Assessor Comments Annual draft of Poll Hereford Heifer Weaners from Eriwah. Even line of Heifers of good frame and store condition. These Heifers are the second draft and vendor has retained the other drafts. Heifers would suit restocker to fatten or breed from. Eriwah weaners have performed well in feedlots and as grass-fed. These heifers are going forward since weaning. Grass-fed program eligible. Note 1 eye scaring observed and one has horns
