	Well weaned and well educated, these cattle were excellent to handle throughout the assessing process as is the norm with the Narrawa cattle. Cattle that could be handled by persons of any level of experience.		
Handled With	Bikes , On foot , Vehicles		
Assessor Comments	Well bred heifers that present in true winter fashion, all frame and not much condition. Given an ounce of opportunity on feed, heifers that will bounce away giving great weight gains through the forthcoming Spring months. Bred out of large framed cows with plenty of volume, these heifers carry decades of Ardrossan and Dunoon influence in their bloodlines and are noted district performers. Heifers that were a pleasure to handle throughout the assessment process which is the norm for the Narrawa cattle, the outcome of proper weaning and yard education processes, ideal to take on and join or fatten through the upcoming Spring period. A portion of heifers showed some ringworm and 5 heifers noted with old pinkeye scarring. PCAS Grass Assured declaration available at purchasers request. Vendor is also offering brothers in this sale.
