 Assessor

Steers present in forward store condition and have been running on natural and improved pastures. Ideal weight and frame to take on and fatten quickly. Previous years purchasers feedback suggests that steers will perform well on grass or in the feedlot. Steers are yard weaned and very well educated. A pleasure to handle in the yards and vendor has mentioned that they are very well mannered in the paddock and easily controlled with dogs. Vendor will also offer 38 lighter weight backgrounder steers in this sale.
