Assessor Comments	A vendor bred line of 77 Poll Hereford steer weaners that are sired by Wirruna K74 who was the top price bull at the 2018 Wirruna Autumn Bull sale, Injemira M161, P075, and Wirruna N523. The steers mothers are large framed Poll Herefords cows being based on ex stud cows from Chandivan and Mt Hope bloodlines. These steers are showing plenty of bone, shape and softness and would be ideal cattle to turn out and grown into either Bullocks, feeder weight steers or put onto feed for the domestic market. The steers were yard weaned and were also drenched, vaccinated with Multimin and 7 in1, and are booming ahead. Please note; 4 steers have old pink eye scars. Grassfed only & Antibiotic Free
