Assessor Comments	Ponkeen have been breeding Red Angus at a high quality for some time. Previously using them back through their former

Hereford and Simmental heard. More recently focussing on their pure bred Red Angus heard. These Heifers are Ponkeen Red Angus blood with reference sires being Hicks Red Angus. Namely Hicks Henry M55. These heifers would be ideal to grow out and join at a later date or would preform well in domestic finishing program. Very quiet to handle see video
