Assessor Comments	Younger brothers to the top line of steers in this sale. By no means are these a second line, rather that the top ten excelled. These animals are in the slot to continue putting on weight in the spring as they have continually done so all winter. Temperament and quality of these steers is a testament to the time and resources dedicated to the cattle by the vendor. Please note, one with slight scarring and some white observed underneath. Cattle that will not disappoint and suitable for any purchaser. Vendor also has the heavier brothers and a line of heifers in this sale.
