| Assessor Comments  | A quality line of vendor bred charolais steers with a great temperament. The Forte family have been breeding charolais cattle for many year's, with strong Paringa bloodlines. The steers present in forward store condition, showing plenty of bone, length and depth and will not disappoint. Weighing 303kg at assessment, they are ready to launch when the spring arrives and put on the kilos. Please note, the vendor has another line of 24 steers in the same auction only a kilogram apart, making it a great opportunity to secure a potential line of 47 steers. |
