Very quiet to handle in paddock, yards and crush. They are very used to human contact and are fed hay regularly and a person can get within meters of the cattle in the paddock when being fed. The best thing to do is to let them know you are near because they can not always see you with the hair over the eyes								
Handled With	Bikes , On foot , Vehicles							

Assessor Comments	A very quiet steer that has been weaned and ready to go. Pure miniature Highland that is very used to human contact with being fed hay regularly. This fellow born 13/9/21
