Assessor Comments	Excellent line of EU Angus hfrs PTIC to Stoney Point Angus bull to calve for 26 days. Woodrise breed highly fertile cattle and only join for short period. These cattle are great weight for age have great depth of body and show good muscle and would be a great addition to any heard. Woodrise are astute with bull purchases and have strict conformation. These Hfrs are not to be overlooked. 3 Hfrs have small amount of white on udder and 1 had small amount of white on underbelly. Hfrs are showing signs of lice but is no detriment to there health.
