Assessor Comments	Buyers a excellent line of Charolais cross heifers showing tremendous bone and depth of breeding , sired by high priced Fairfield and Moongool Stud Bulls out of large framed VGQ Braford cows . These girls would be an asset to any breeding herd or alternatively could be taken through to heavier weights to suit the lucrative Woolworths Domestic feeder market. These girls are not culls as vendor does not retain any Charolais X heifers in their breeder herd. Please note Vendor has 2 decks of Angus cross and 2 decks of Charolais cross heifers in the same sale
