Assessor Comments	A good run of Angus cross steer weaners that are ready for a finishing enterprise on improved pastures / forage crop. Steers are weaned and were good to handle in yards & race. Steers will suit most feeder programmes. Steers are Grass Fed Eligible. Angus bulls were purchased from major studs in QLD, NSW & SA. Bulls were selected on high EBVs, structure & type. Please see photos & video for types of steers that are being offered. Of the 120 steers that were assessed noticed 4 with blue eyes, old scaring & odd steer with white makings on neck & underline.
